Els calendaris es van actualitzant, però si teniu algun compromís confirmeu amb el delegat per assegurar el dia i hora del partit.

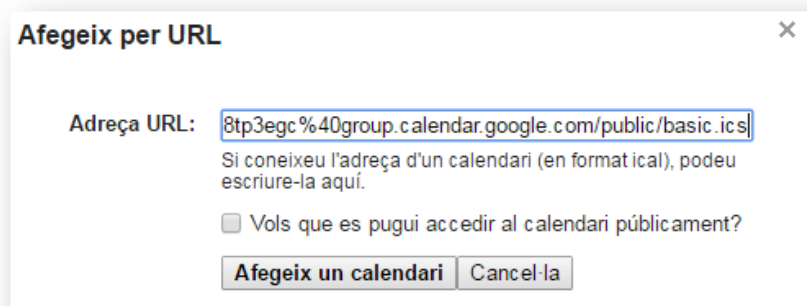

Per afegir els calendaris, fes click sobre el link del que t'interessi.

Habitualment les app de calendari del mòbil reconeixen el link .ICS i el gestionen automàticament. Si la app del teu mòbil no el gestiona correctament, prova a seguir les instruccions següents des d'un ordinador:

1. Obre Google Calendar en l'ordinador, utilitzant el teu perfil de Gmail (<https://calendar.google.com/>).
2. Al lateral esquerre, vés a "Altres calendaris" i fes clic a la fletxa cap avall.
3. Selecciona la opció "Afegeix per URL".

4. Al camp de text, enganxa l'adreça <https://calendar.google.com/public/basic.ics> del calendari que vulguis afegir.
5. I per acabar, fes clic a "Afegeix un calendari".

El calendari es mostra afegit a la llista "Altres calendaris" que hi ha al lateral esquerre de la pàgina.

Verifiqueu que als ajustos del mòbil teniu els calendaris afegits actius i sincronitzats.

Nota: Pot ser que els canvis a l'ordinador no es facin efectius al Google Calendar del mòbil fins al cap de 12 hores.

Algunes aplicacions de calendari per a mòbil gestionen correctament l'enllaç, però d'altres només importen els events i no actualitzen quan hi ha canvis. Si tens problemes, prova a utilitzar el Google Calendar que pots descarregar gratuïtament de:

**Google Play:** Google Calendar (Google Inc.)

**Apple Store:** Google Calendar: make the most of every day (By google, Inc.)
