ONE CLUB, ONE PROJECT

Our Club Club Hoquei Sant Feliu de Codines was founded in 1974, by the parents of a group of young people excited about hockey. The passion for hockey and sport has grown along with the quantity of players, friends and partners associated, making the Club become a reference entity recognized at all levels.

The Club has the sports facilities “Francesc Cassart i Roca” with a main rink with a capacity for more than 500 people, and another rink annexed aimed for the base-hockey matches.

The Club Hoquei Sant Feliu de Codines has 16 teams, of which 3 are female. These teams are in categories from school to veterans. All of them compete in the Federació Catalana d’Hoquei Patins (Catalan Federation of Roller Hockey), and the main team is playing at the highest level for more than 15 seasons in the first division of the Real Federación Española de Patinaje. In 2012, we obtained the Princess Cup and the rise to the OK Lliga in which competed for 1 season.

In its restlessness to grow the Club organized a tournament with international scope: the CODINES INTERNATIONAL CUP, a tournament that will be part of the training of our players, opening our Club to Europe. The tournament will be played with a league between 4 team in each of the 2 groups, with quarterfinal, semifinal and final. There will also be consolation semifinals, thus ensuring a minimum of 6 matches per team.
